

## THEO UP/DOWN

wall light, QPAR51, anthracite, max. 2x50W

The THEO UP/DOWN recessed wall light is made from aluminium. Thanks to the position of the two incorporated sockets, the installed high-voltage halogen lamp with GU10 socket produces two equal but oppositely arranged light beams (UP/DOWN). The electrical connection of the luminaire, which comes in three colours, is directly to the 230V mains supply.

## TECHNICAL DATA

|                         |                 |
|-------------------------|-----------------|
