

## MEDO 30

ceiling light, LED, 3000K, white, 1-10V

The high-quality MEDO CL impresses with its clear design and the elegant synergy of the aluminium and glass materials that have been used. Thanks to having an integrated premium LED, it generates a bright and homogeneous light. The ceiling light can be converted into a pendant using a suspension kit, and is therefore also ideal for rooms with high ceilings. The built-in LED driver makes direct connection to a 120V to 240V mains supply possible.
