

## LED lamp

A60, E27, 2700K 280°, 7W, dimming switch

Warm-white does not always need to be associated with high costs. The lamp provides the same light colour as a conventional lamp, with the advantage that it consumes less energy. The lamp can be dimmed via the existing wall switch.

## TECHNICAL DATA

|                             |                     |
|-----------------------------|---------------------|
| Item no.:                   | 1002127             |
| Socket                      | E27                 |
| Lamp type                   | LED E27             |
| Nominal voltage             | 220-240V ~50/60Hz V |
| Length                      | 10.5 cm             |
| Diameter                    | 6.0 cm              |
| Net weight                  | 0.033 kg            |
| Gross weight                | 0.058 kg            |
| IP Code                     | IP 20               |
| Dimmable                    | Ja                  |
| Dimming technology          | Switch Dimmable     |
| Energy efficiency index     | A++                 |
| Weighted energy consumption | 7 kWh/1000h         |
| Electrical power factor     | 0,55                |
| Wattage                     | 7.0 W               |
