

AITES

recessed fitting, Power LED, 3000K, round, silver-grey, for installation boxes, 1W

By means of its special design and the low installation diameter, the aluminium and acrylic-made recessed wall light AITES is suitable for installation in wall boxes. The incorporated Power LED provides the necessary illumination intensity. Available with an either white or silver coloured cover it includes a suitable connection lead. A suitable 350mA constant current driver is required for operation. This luminaire contains built-in LED lamps.
