

LOUISSE 1

pendant, QT-DE12, round, white, max. 200W

The LOUISSE 1 ceiling light convinces by a combination of straight and circular forms with indirect lighting characteristics. The R7s socket for high-voltage halogen lamps of the same type provides the desired light intensity and is located within the smaller shell, which is adjustable by 90°. Due to the nature of the base plate, a perfect and glare-free reflection of the light beams is achieved. LOUISSE 1 ceiling is ready for direct connection to 230V mains supply.
