

DIABO spot for 240V 1-phase track

QPAR51, silver-grey, max. 35W, incl. 1-phase adapter

DIABLO luminaires are very high-quality lights to illuminate shop windows, living and eating areas or bars. As a series, it brings you many possible applications such as pendant-s, track spots, or light heads for cable systems, for example. By connecting to a track system, it is possible to light up several individual objects in a shop window and highlight them. Naturally, it is also perfect for home use and the illumination of decorated corners, living or eating spaces.
