

DOWNUNDER 3

wall and ceiling light, QT-DE12, square, natural aluminium, R7s, max. 100W

Aluminium recessed wall light of our DOWNUNDER 3 series. The not visibly mounted high-voltage halogen lamp with R7s socket emits the light indirectly onto the surface to be illuminated. This guarantees glare-free illumination of walkways and much more. The DOWNUNDER 3 recessed fitting is available in natural aluminium colour version and ready for direct connection to 230V mains supply. A mounting frame for installation in masonry can be ordered from the accessory.
