

## WORKLIGHT

floor stand, TC-LEL, silver-grey, max. 220W

Our WORKLIGHT convinces by clear shapes and is designed for the use of four energy-saving TC-L lamps. This means that this luminaire gives you the optimum conditions for efficient use while still remaining stylish. By means of the two integrated switches for operating with half or full brightness, the fitting can be adapted to any given lighting scenario. Optionally available is a dark-light grid according to DIN standard that allows an optimal illuminated workstation with absolutely glare-free illumination properties. Thanks to its built-in ballasts and electricity cable complete with plug, WORKLIGHT comes ready for direct connection to 230V mains supply.
