

CYGNIS PD-1

pendant, LED, 3000K, white, 30W

The CYGNIS PD-1 pendant offers a warm white LED light with excellent illumination properties in addition to its minimalistic design. The luminaire's four, built-in LED modules deliver a pleasantly warm lighting experience. The total power consumption of approx. 30 Watts only also shows its excellent energy efficiency. With a wide beam angle and a luminous flux of approx. 2100 lumens and high colour rendering (CRI90), you can use it as a background lighting element above dining tables, desks or similar objects in the decorative living area without any problems. The CYGNIS PD-1 pendant comes in white and silver-grey. Thanks to its built-in dimmable LED converter (dimmable 1-10v) and the 2 m pendant suspension, the luminaire is delivered so that it can be directly connected to the 230V mains supply.

TECHNICAL DATA

Item no.:	157631
Lamps included	0
Primary nominal voltage	120-277V ~50/60Hz mA/V
Secondary power / secondary voltage	500 mA/V
Length	121.0 cm
Pendant length	200.0 cm
Width	5.0 cm
Height	0.9 cm
Net weight	1.741 kg
Gross weight	2.19 kg
IP Code	IP 20
Safety class	I
Assembly	Surface
Assembly details	Ceiling
Wattage	30.0 W
Lumen	2100 lm
Colour temperature	3000 Kelvin
Beam angle	105 °
Color	white
CRI	>90
Binning	6
LXXBXX data	70/50

Service life	30000 h
