

AIXLIGHT R2 OFFICE

pendant, double-headed, QPAR111, rectangular, silver-grey, L/W/H 153/18/5 cm, max. 258W

With our AIXLIGHT R2 OFFICE, which is in keeping with the basic design of the AIXLIGHT R series, we offer a high-voltage pendant which takes two halogen ES111 type lamps with an additional frosted lighting surface, which can be fitted with energy-saving T5 fluorescent tubes. It is available in black, white, or silver-grey housing colours. The lamp holders are multi-directional tiltable ensuring the light cone can be individually aligned. Thanks to the built-in electronic ballast, the AIXLIGHT R2 OFFICE is ready to be directly connected to the 230V mains supply. The ES111 and T5 lamps can be switched separately.
