

ROX PRO

outdoor wall light, HIT-CE, IP44, white, max. 70W

The aluminium-made wall light ROX PRO convinces with its very simple installation by means of the integrated plug system between canopy and housing. Thanks to the position of the two sockets fitted, the mounted luminaire produces two equal but opposite cones of light (UP/DOWN). The electrical connection of the lights, which are available in various colour versions, is made directly to the 230V mains supply with the help of the built-in ballast. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use.

TECHNICAL DATA

Item no.:	227881
Socket	G8.5
Lamp	HIT-TC
Number of sockets	2
Lamps included	0
Number of different light outlets	2
Primary nominal voltage	230V ~50Hz mA/V
Height	40.5 cm
Diameter	14.0 cm
Depth	20.0 cm
Net weight	5.484 kg
Gross weight	5.766 kg
IP Code	IP 44
Safety class	I
Assembly	Surface
Assembly details	Wall
Wattage	35.0 W
Beam angle	30 °
Color	white
