304, Ø/H 4.5/150 cm, max. 40W**

Manufactured from stainless-steel, the NAILS spike luminaire offers a special appearance of the illuminated area by combining frosted and transparent glass. The interleaved glasses are covered by a stainless steel cap. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use. The electrical connection is made using the connection lead and mains plug to the 230V mains supply.
