

## SQUARE POLE 60

outdoor floor stand, TC-TSE, IP44, square, brushed aluminium, L/W/H 18/18/60 cm, max. 20W

The floor lamp of the SQUARE series is available in three different heights and is made from brushed aluminium with an acrylic cube hosting the bulb. It is suitable for use outdoors thanks to its IP44 protection class. The electrical connection is made directly to the 230V mains supply. The SQUARE series also includes ceiling and wall lights and can therefore be used universally. For simplified mounting, an earth spike and concrete anchor set are optionally available.
