

ROX ACRYL POLE 30

outdoor floor stand, TC-TSE, IP44, round, brushed aluminium, Ø/H 13/30 cm, max. 20W

The floor stand ROX ACRYL POLE 30 is made from brushed aluminium and opalescent acrylic glass that surrounds the bulb completely, covered by an aluminium lid. With protection class IP44, the luminaire is available in several heights and is suitable for outdoor use. The electrical connection is made directly to the 230V mains supply. The ROX ACRYL series also includes wall and ceiling luminaires and can therefore be used universally. For simplified mounting, through-wiring is possible and an earth-spike and a concrete anchor set are available as accessories.
