

GATEWAY

for SLV VALETO SMART SYSTEM

The SMART LIGHT Gateway is your door opener to the world of your SLV VALETO® SMART HOME SYSTEM. It receives the signal that you transmit at the push of a button, forwards it and therefore ensures that operating your lamps or devices is child's play. It is compatible with our SLV VALETO® remote controls.

TECHNICAL DATA

Item no.:	420001
Length	13.3 cm
Width	10.0 cm
