

A60 RETROFIT LED

lamp, E27, 2700K, 12W, 3-step dimmable

Real warm-white does not always need to be associated with high costs. The 12W bulb offers you the same colour of light as a conventional lamp with the advantage that it consumes less energy. In addition to this, there is the possibility of the three-step dimming and the long service life. The product has an energy efficiency index of A+. The weighted consumption is 12kWh/1000h.
